Valid on December 2022 payment only

One form per loan.

Date: \_\_\_\_\_ Loan Account Number (including suffix): \_\_\_\_\_ - \_\_\_\_\_

(Must complete a separate form for each loan)

It is hereby agreed by and between the Credit Union and the undersigned borrower(s) that the due date(s) of certain installment(s) due or to become due under the terms of the Borrower's Loan and Security Agreement (further known as the "Obligation") executed by Borrower be deferred as hereinafter provided. For the purpose of the Agreement, Borrower shall include any guarantor of the obligation and each guarantor signing below hereby acknowledges that his/her liability under the Obligation is not affected by this Agreement.

Borrower and Credit Union agree to defer one payment that is scheduled to be due for December 2022, and will now be due on the same date in January 2023. The entire indebtedness evidenced by such obligation shall extend the term of the loan by one additional month. All terms and provisions of said Obligation not expressly altered by this Agreement shall remain in full force and effect.

Because interest and credit insurance charges accrue for the actual number of days the principal balance of the Obligation remains unpaid, the total finance charge, credit insurance charges, if any, total of payments and the amount of final payment will be greater than the amounts originally disclosed to Borrower.
