THE FOLLOWING DISCLOSURE APPLIES TO ALL ACCOUNTS INCLUDED ON THIS STATEMENT:

Accrual of Dividends: Dividends begin to accrue on the business day you deposit non-cash items (e.g. checks) to your account.

Nature of Dividends: Dividends are paid from current income and available earnings after required transfers to reserves at the end of a dividend period. Dividends will begin to accrue on the business day you deposit noncash items into your account. A withdrawal of funds will affect the dividend accrual. Accrued dividends will not be paid if an account has been closed prior to the crediting of dividends.

National Credit Union Share Insurance Fund: Member accounts at this credit union are federally insured by the National Credit Share Insurance fund.

Bylaw Requirements: As a condition of membership, you must maintain \$5 in a Statement Share Account. This is equal to the par value of one share in FIRSTCCU. If we determine you are eligible to maintain an account with the credit union, you authorize FIRSTCCU to check your account, credit and employment history, and obtain a credit report to verify your eligibility for any account or service you may request now and in the future. FIRSTCCU reserves the right, at any time, to require members to give 30 days prior written notice of the intention to withdraw the whole or any part of amounts paid in by them except for those amounts paid into checking accounts.

Inactive account is defined as an account with a balance of less than \$500 with no deposits or withdrawals for 12 consecutive months and no other credit union service.

Dormant account is defined as any account with an invalid address on file for 6 months or longer with no activity regardless of the balance of such account.

Statement Share (Savings) and Club Accounts

Rate Information: This is a variable rate account, meaning the declared dividend rate and annual percentage yield (APY) can change at any time, refer to our most recent rate sheet for current rate.

Compounding and Crediting: Dividends will be compounded quarterly and credited quarterly. For this account type, the dividend period is quarterly; for example the beginning date of the first dividend period of the calendar year is January 1 and the end date of such dividend period is March 31. All other dividend periods follow this same pattern of dates. If you close your Statement Savings or Club Account before dividends are credit, you will not receive accrued dividends through the date of closing.

Minimum Balance Requirements: The minimum deposit required to open this account is \$5. A balance of at least \$5 must remain in the Statement Savings account for you to qualify for membership in FIRSTCCU. You must maintain a minimum average daily balance of \$250 in your account to obtain the disclosed APY. A \$2.50 per month paper statement fee will apply to this account. Please see fee schedule for additional information.

Balance Computation Method: Dividends are calculated by the daily balance method, which applies a daily period rate to the balance in your account each day the minimum balance requirement is met.

Transaction Limitation: You may make no more than six (6) transfers and withdrawals from your account to another account of yours or to a third party in any month by means of a preauthorized, automatic or internet transfer, by telephonic order or instruction, or by check, draft, debit card or similar order. If you exceed these limitations, your account will be subject to a fee of \$3 per transaction that exceeds the established limit.

25 Month Bump Rate Term Share Certificate Account

Rate Information: See rate information sheet.

Compounding and Crediting: Dividends will be compounded monthly and credited monthly. For this account type, the dividend period is monthly, beginning on the date the account is opened, and ending on the last calendar day of the dividend period. All other dividend periods follow this same pattern of dates. This is a fixed rate account, which can be bumped at any time during the existing term to the current non-promotional 24 month term share certificate rate. The dividend rate and APY are established by the credit union. If you close your account before dividends are credited, you will receive accrued dividends through the date of closing.

Minimum Balance Requirements: The minimum balance required to open this account and to obtain the stated APY is \$1,000.

Balance Computation Method: Dividends are calculated by the daily balance method, which applies a daily periodic rate to the balance in your account each day.

Maturity Date: Your account will mature on: _____.

Transaction Limitations: After your account is opened, you may make additional deposits into this account until the maturity date. Only dividends credited to an account during its existing term may be withdrawn at any time during such term without penalty. The disclosed APY is based on the assumption that dividends will remain in the account until maturity. A withdrawal will reduce earnings. Dividends in the account at the commencement of the renewal term will be deemed merged with the principal upon renewal.

Early Withdrawal Penalties: We may impose a penalty if you withdraw any of the funds in your account before the maturity date. The penalty will equal 180 days dividends on the amount withdrawn. Dividends will be forfeited whether earned or not regardless of the length of time the funds withdrawn have remained in the account. This may result in a reduction of principal. Any withdrawal which reduces the account balance below the minimum balance requirement will be considered as a withdrawal of the entire account balance and will be subject to the penalty described above. The penalty may be waived for early withdrawal upon the death or judicially declared legal incompetence of an account holder.

Renewal Policy: Your Bump Rate Term Certificate Account will automatically renew at maturity to a non-promotional 24 month term. You will have a grace period of 10 business days after the maturity date to withdraw funds in the account without being charged an early withdrawal penalty. If you close your account within the grace period, no dividends will be paid on the amount withdrawn for the period of days beyond the maturity date.

_____ Youth Savings Accounts Include: Young Saver (0-7 years), Teen Saver (8-15 years), Graduate Saver (16-21 years)

Rate Information: The dividend rate on these accounts is variable and paid on balances up to \$9,999.99. Balances \$10,000 and over will be paid at 0.10%. This is a variable rate account meaning the declared dividend rate and annual percentage yield (APY) can change at any time. Please refer to our most recent rate sheet for current rates.

Compounding and Crediting. Dividends will be compounded quarterly and credited quarterly. For this account type, the dividend period is quarterly; for example the beginning date of the first dividend period of the calendar year is January 1 and the ending date of such dividend period is March 31. All other dividend periods follow this same pattern of dates.

Transaction Limitations: The Youth Accounts are tiered by age, not to exceed the age of 21. Once the individual turns 21, the Graduate Saver account will automatically convert into a Statement Share (Savings) account in which those terms and conditions, including fees, will apply. Please refer to the Statement Share (Savings) account section of this disclosure as well as the Fee Schedule for more information. Once the individual turns 18, and is no longer a minor, a request can be made to remove the parent/guardian from the account. Please refer to the branch for additional information.

Minimum Balance Requirements: The minimum balance requirement on this account is \$5, which is equal to one refundable share in First Community Credit Union. A minimum balance of \$5 is required to earn dividends.

Additional Limitations: You may make no more than six (6) transfers and withdrawals from your account to another account of yours or to a third party in any month by means of a preauthorized, automatic or internet transfer, by telephonic order or instruction, or by check, draft, debit card or similar order. This account is not eligible for FIRSTCCU's Overdraft Privilege Program (ODP). No ACH withdrawals are permitted on this account.

Piggy Bank Savings

Rate Information: This is a variable rate account, meaning the declared dividend rate and annual percentage yield (APY) can change at any time, refer to our most recent rate sheet for current rate.

Compounding and Crediting: Dividends will be compounded quarterly and credited quarterly. For this account type, the dividend period is quarterly; for example the beginning date of the first dividend period of the calendar year is January 1 and the ending date of such dividend period is March 31. All other dividend periods follow this same pattern of dates. If you close your Statement Savings or Club Account before dividends are credited, you will not receive accrued dividends through the date of closing.

Balance Computation Method: Dividends are calculated by the daily balance method, which applies a daily periodic rate to the balance in your account each day the minimum balance requirement is met.

Transaction Limitations: You may make no more than one (1) transfers and/or withdrawal from your account to another account of yours or to a third party in any calendar year. If you exceed these limitations, your account will be subject to a fee of \$3 per transaction that exceeds the established limit. You may not deposit to this account other than the system generated debit card roundup deposit.

Advantage Basic Checking

Rate Information: This account does not earn a dividend.

Minimum Balance Requirements: The minimum balance required to open this account is \$25. There is no daily minimum balance requirement to avoid a monthly service charge on this account.

Transaction Limitations: No transaction limitations apply to this account unless stated elsewhere in this disclosure.

Security Plus (+) Checking

Rate Information: The dividend rate for this account is variable on balances up to \$2,500. For balances over \$2,500 additional dividends may be paid. This is a variable rate account, meaning the declared dividend rate and annual percentage yield (APY) can change at any time and may have additional requirements to earn the stated dividend and APY. Please refer to our most recent rate sheet for current rates.

Compounding and Crediting: Dividends will be compounded monthly and credited monthly. For this account type, the dividend period is monthly; for example the beginning date of the first dividend period of the calendar year is January 1 and the ending date of such dividend period is January 31. All other dividend periods follow this same pattern of dates. If you close your Security Plus (+) Checking account before dividends are credited, you will not receive accrued dividends through the date of closing.

Minimum Balance Requirements: The minimum balance required to open this account is \$25. There is a monthly fee that applies, please see current fee schedule for exact amount. If you maintain an average daily balance of \$2,500 or greater this fee will be waived.

Balance Computation Method: Dividends are calculated by the average daily balance method, which applies a periodic rate to the average daily balance in the account for the period. The average daily balance is calculated by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period.

Transaction Limitations: No transaction limitations apply to this account unless stated elsewhere in this disclosure. To earn dividends and APY additional transactional requirements may apply.

_____ **Term Individual Retirement Account (IRA) – Rate Information:** See rate information sheet.

Compounding and Crediting. Dividends will be compounded monthly and credited monthly. For this account type, the dividend rate is monthly, beginning on the date the account is opened, and ending on the last calendar day of the dividend period. All other dividend periods follow this same pattern of dates. This is a fixed rate account. The dividend rate and APY are established by the credit union. If you close your IRA account before dividends are credited, you will receive accrued dividends through the date of closing.

Minimum Balance Requirements: The minimum balance required to open this account and to obtain the disclosed APY is \$2,000.

Balance Computation Method. Dividends are calculated by the daily balance method, which applies a daily periodic rate to the balance in your account each day.

Maturity Date: Your account will mature on: _____.

Transaction Limitations: You may not make deposits into this account until the maturity date. Only dividends credited to an account during its existing term may be withdrawn at any time during such term without penalty. The disclosed APY is based on the assumption that dividends will remain in the account until maturity. A withdrawal will reduce earnings. Dividends in the account at the commencement of the renewal term will be deemed merged with the principal upon renewal. Federal tax penalties may apply for early withdrawals from IRA accounts.

Early Withdrawal Penalties: We may impose a penalty if you withdraw any of the funds in your account before the maturity date. The penalty will equal 180 days dividends on the amount withdrawn. Dividends will be forfeited whether earned or not regardless of the length of time the funds withdrawn have remained in the account. This may result in a reduction of principal. Any withdrawal which reduces the account balance below the minimum balance requirement will be considered as a withdrawal of the entire account balance and will be subject to the penalty described above. The penalty may be waived for early withdrawal upon the death or judicially declared legal incompetence of an account holder.

Renewal Policy: Your Individual Retirement Account will automatically renew at maturity. You will have a grace period of 10 business days after the maturity date to withdraw funds in the account without being charged an early withdrawal penalty. If you close your account within the grace period, no dividends will be paid on the amount withdrawn for the period of days beyond the maturity date.
