This disclosure statement contains information regarding terms, fees, dividend rates and annual percentage yields (APYs) for the savings and checking accounts offered by First Community Credit Union ("FCCU"). Dividend rates and annual percentage yields are correct as of the effective date noted at the top of this disclosure. For current dividend rate and APY information, please contact FCCU at any of the telephone numbers listed above.

THE FOLLOWING DISCLOSURES APPLY TO ALL ACCOUNTS INCLUDED ON THIS STATEMENT:

Accrual of Dividends: Dividends begin to accrue on the business day you deposit non-cash items (e.g. checks) to your account.

Nature of Dividends: Dividends are paid from current income and available earnings after required transfers to reserves at the end of a dividend period. Dividends will begin to accrue on the business day you deposit noncash items into your account. A withdrawal of funds will affect the dividend accrual. Accrued dividends will not be paid if an account has been closed prior to the crediting of dividends.

National Credit Union Share Insurance Fund: Member accounts at this credit union are federally insured by the National Credit Union Share Insurance Fund.

Bylaw Requirements: As a condition of membership, you must maintain \$5 in a Statement Share Account. This is equal to the par value of one share in FCCU. If we determine you are eligible to maintain an account with the credit union, you authorize FCCU to check your account, credit and employment history, and obtain a credit report to verify your eligibility for any account or service you may request now and in the future. FCCU reserves the right, at any time, to require members to give 30 days prior written notice of the intention to withdraw the whole or any part of amounts paid in by them except for those amounts paid into checking accounts.

Inactive account is defined as an account with a balance of less than \$100 with no deposits or withdrawals for 24 consecutive months and no other credit union service.

Dormant account is defined as any account with an invalid address on file for 6 months or longer with no activity regardless of the balance of such account.

Rate Information: The dividend rate for this account is 0.10%, with an APY of 0.10%

Compounding and Crediting: Dividends will be compounded quarterly and credited quarterly. For this account type, the dividend period is quarterly; for example the beginning date of the first dividend period of the calendar year is January 1 and the ending date of such dividend period is March 31. All other dividend periods follow this same pattern of dates. This is a variable rate account meaning the declared dividend rate and APY may change at any time at the discretion of the credit union. If you close your Statement Savings or Club Account before dividends are credited, you will not receive accrued dividends through the date of closing.

Minimum Balance Requirements: The minimum deposit required to open this account is \$5. A balance of at least \$5 must remain in the Statement Savings account for you to qualify for membership in FCCU. You must maintain a minimum daily balance of \$250 in your account each day to obtain the disclosed APY. No dividends will accrue on the account balance on those days the balance falls below the \$250 minimum requirement.

Balance Computation Method: Dividends are calculated by the daily balance method, which applies a daily periodic rate to the balance in your account each day the minimum balance requirement is met.

Transaction Limitations: You may make no more than six (6) transfers and withdrawals from your account to another account of yours or to a third party in any month by means of a preauthorized, automatic or internet transfer, by telephonic order or instruction, or by check, draft, debit card or similar order. If you exceed these limitations, your account will be subject to a fee of \$3.00 per transaction that exceeds the established limit.

The penalty may be waived for early withdrawal upon the death or judicially declared legal incompetence of an account holder.

Renewal Policy: Your Individual Retirement Account will automatically renew at maturity. You will have a grace period of 10 business days after the maturity date to withdraw funds in the account without being charged an early withdrawal penalty.
