1 Annual Percentage Yield. APYs accurate as of 8/2/2023. 2 For new checking accounts, defined as the member not having a checking account within the last 12 months, balances \$2,500.00 or less the APY received will depend on the number of debit card transactions posted during the statement cycle. If 20 or more debit card transactions are posted during the statement cycle the APY is 1.50%. If less than 20 debit card transactions are posted during the statement cycle the APY is .05%. Balances of \$2,500.01 and higher earn 0.00% APY. Qualifying transactions must post to and clear account during monthly qualification cycle. Transactions may take one or more banking days from the date transaction was made to post to and clear an account. "Qualification cycle" is equal to one calendar month or first day of the current statement cycle through the last day of the current statement cycle. ATM transactions do not count as qualifying debit card transactions required to earn rewards, but any retail debit card transaction does (PIN-based or signature-based). Membership eligibility required with \$5 pledge in savings. 3 If qualifications are met each monthly qualification cycle: Domestic ATM fees incurred during the qualification cycle will be reimbursed up to a \$10 maximum credited to the account on or about the 5th day of the next month. 4 Overdraft Privilege Program (ODP) is not a loan or a line of credit and is only available to accounts that meet qualification criteria. 5 Special Program Notes: The descriptions herein are summaries only and do not include all terms, conditions and exclusions of the Benefits described. Please refer to the actual Guide to Benefits for complete details of coverage and exclusions. 6 .50% discount on certain loans with preferred member pricing. Other credit qualifications may apply, see MSR for details. **Federally insured by the NCUA.**
